

INDIA NEEDS ACTION THAT SCALES.

Our Environment is under daily pressure from urban expansion and climate stress.

Women and Youth Safety need on-ground confidence and real protection skills.

Skill and Employability gaps require practical training that leads to jobs.

WHO WE ARE

YTDS is a youth-driven, Pan-India social organization committed to sustainable development through environmental action, safety and resilience programs, and career-aligned skill empowerment.

We believe India's progress must be built by its youth and sustained for its future.

OUR IMPACT ACROSS INDIA 2025

- Total drives conducted: **95** (mix of Tree Plantation, Self-Defence, CyberSmart, CyberFinSmart, Tally Prime, Health Care)
- **3,200+** youth & citizens activated ● Cities Reached: **28+**

Plant A Million Trees Large-scale plantation with long-term survival focus.
Trees planted under #PlantAMillionTrees **50,000+**

Prakriti Parv Annual 33-day national festival for mass green action.
98%+ trees survived. That's our real success metric.

#SafeHerIndia Women's self-defence and confidence training.
2,000+ women empowered for self-reliance

TallyPrime Campaign Job-ready accounting training with internship support.
620+ students upskilled through YTDS's TallyPrime training.

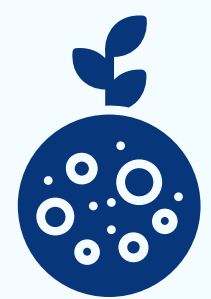

CyberSmart Campaign Digital safety & cyber awareness for youth and communities.
Youth trained under **CyberSmart: 7Lac+ & CyberFinSmart: 5Lac+**

Blood Donation Community health preparedness and lifesaving drives.
Blood donation units collected: **10,000+** units across camps

Internship Assistance Campaign Connecting trained youth to real work pathways.
180+ students supported into placements & OJTs

Seedball Making Low-cost ecological regeneration in hard-to-reach spaces.
10,000+ seedballs prepared and deployed.

Hill Clean Drive Cleaning, restoring, & protecting hill ecosystems.
101 waste bags collected with multiple high-impact clean up drive.

THE MAN BEHIND THE MISSION

#PlantAMillionTrees *Building A Greener India*

Before

After

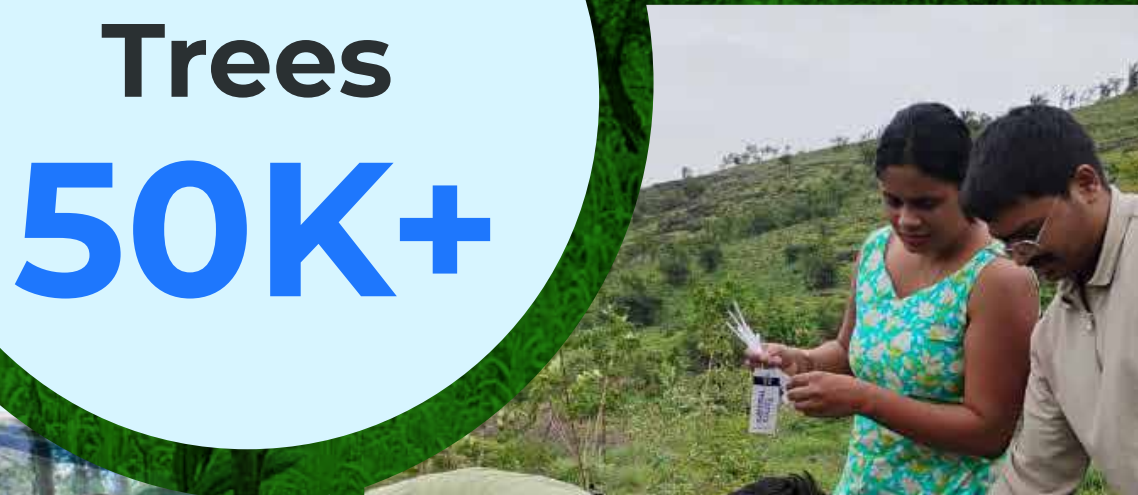

The Problem

Green cover loss and rising urban heat are impacting health, biodiversity, & livelihoods.

Planting Forests That Survive, Not Just Saplings

Key Highlights

- Youth-led, CSR-backed native plantations.
- 98% survival rate across #PlantAMillionTrees drives
- Prakriti Parv scaling plantations into national waves (2026)

Planted Trees
50K+

#CleanTheHills

Restoring Nature
Before Damage
Becomes Permanent

The Problem

Unmanaged waste on hills and trails is destroying fragile ecosystems.

Protecting Fragile Landscapes Before Damage Becomes Permanent

Key Highlights

- Youth-led hill cleaning and waste removal drives
- High-impact clean-ups with strong community participation
- "1 Hill, 1 Year" City-wide hill adoption model with year-long maintenance cycles.

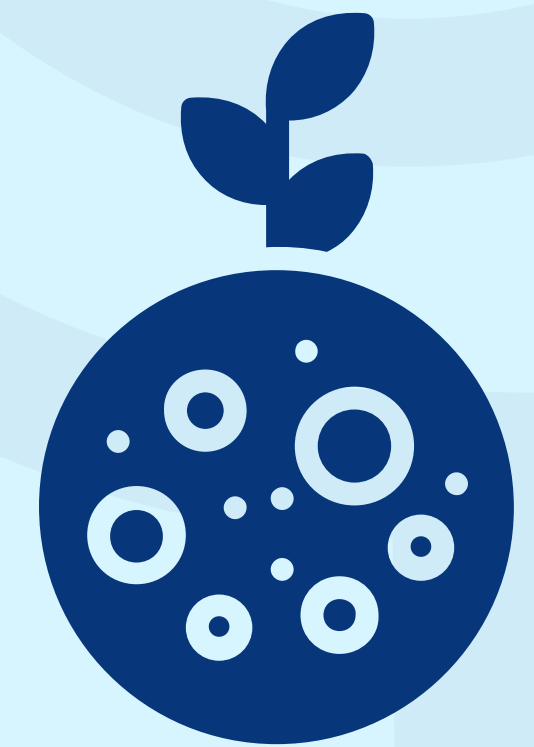

Waste Bags Collected

#SeedTheFuture

Greening *The Places Trees Can't Reach*

The Problem

Barren and inaccessible land remains untouched by traditional plantation.

Regenerating Land Where Traditional Plantation Isn't Possible

Key Highlights

- Native seedball creation for low-cost regeneration
- Thousands of seedballs deployed through volunteers
- Expansion into dry zones and hill belts in 2026

Seedballs Prepared

#SafeHerIndia

Confidence *Is The* *First Line Of Defence*

Our Approach

- Presence of mind and threat awareness
- Good Touch vs Bad Touch clarity
- Confidence and assertive response training
- Practical tackle tactics
- Focus on vulnerable targets (**ENTER**) in unsafe situations: **Eyes, Nose, Throat, Ears, Ribs**

Building Confidence, Awareness, and Real-World Safety

Key Highlights

- Hands-on self-defence and situational awareness training
- 40+ sessions across colleges, communities, and workplaces
- Pan-India scale via CSR and city-level adoption in 2026

Women Trained
2,000+

#DonateBloodSaveLives

*When **Communities**
Are Ready,
Lives Are Saved.*

The Problem

Blood shortages and emergency spikes need proactive civic action.

Mobilising Communities to Save Lives

Key Highlights

- Community-driven blood donation & health awareness
- 10,000+ units collected with 400+ volunteers engaged
- Multi-city, CSR-led donation drives planned for 2026

#ThinkBeforeYouClick

Cyber & Financial Safety For A Digital First Generation

The Problem

Youth face daily cyber threats like fraud, harassment, misinformation, and data misuse.

Building Digital & Financial Safety for a Connected India

Key Highlights

- Cyber and financial safety training with real-case learning & health awareness
- Active across 5+ states, schools, colleges, & communities
- Nationwide CSR-led rollout with CyberSmart Month in 2026

Youth
Trained
12Lac+

#TallyThatEmploys

*Practical Tallyprime
Training Aligned To
Today's Industry Needs*

The Problem

Colleges focus on theory. Practical TallyPrime skills are needed for real-world readiness - Mandate by Education Ministry

Turning Classroom Learning into Job-Ready Skills

Key Highlights:

- Practical TallyPrime training aligned with industry needs
- 620+ students trained with 85%+ completion rate
- Placement and internship pathways with MSMEs in 2026

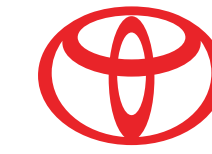

Students Trained
620+

What it Signals

Our work aligns with India's national development and sustainability priorities, and is trusted for real on-ground delivery.

From Local Drives To National Movement

Active Footprint

7 States Engaged **28+** Cities Activated

Core operations hub
Pune with expanding national partner network

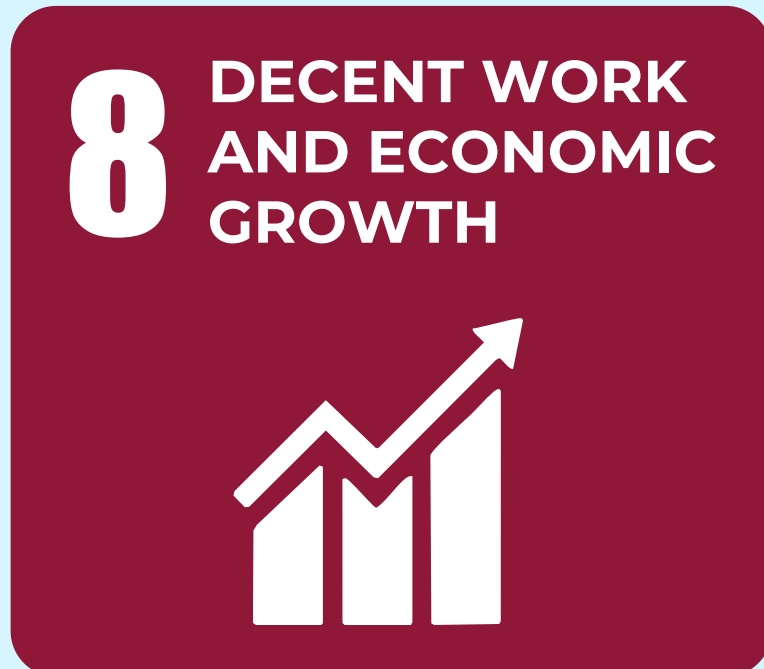

2026 Expansion Goal

15 States **50+** Cities

National wave activations through
Prakriti Parv, Self Defence, CyberSafety, HealthCare & Skill Programs

Our Contribution to

2026 Goals & National Drives

Building Impact At Scale | India, Powered By Youth

Environment

Regenerating India's Natural Ecosystems

2026 Goals

- **75,000+** trees planted through Miyawaki and native plantations
- **50+** cities activated under Prakriti Parv
- **100+** hill and trail clean-up drives
- **75,000+** seedballs deployed across dry and inaccessible zones

Empowerment

Safety, Health, and Confidence for Every Woman

2026 Goals

- **5,000+** women trained in practical self-defence
- **150+** self-defence batches across colleges and communities
- **20+** blood donation camps
- **1,500+** blood units collected with youth and CSR volunteers

Education

Skills for a Digital, Financial, and Social Future

2026 Goals

- **2,000+** students trained in TallyPrime with practical exposure
- **10 lakh+** youth reached through CyberSmart & CyberFinSmart
- **100+** digital safety workshops across schools and colleges
- **1,000+** learners supported through Each One Teach One

Employment

Turning Skills into Sustainable Livelihoods

2026 Goals

- **300+** women trained in professional driving skills
- **300+** vehicles financed through government loan schemes
- **100%** job linkage support with ride-hailing platforms
- Direct income generation for women-led households

LET'S

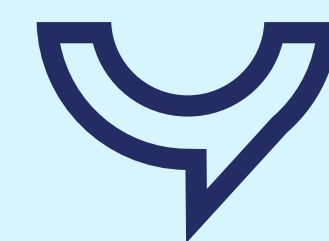

BUILD, PROTECT, AND EMPOWER INDIA TOGETHER.

Next Steps:

- Partner with us for a campaign or region.
- Invite us to pitch to your CSR leadership.
- Start Impact Immediately.
